*We had joy, we had fun
We had seasons in the sun.
But the stars we could reach,
Were just starfish on the beach.*

*Good-bye to you my trusted friend
We've known each other since
we were nine or ten
Together we climbed hills and trees
Learned of love and ABC's
Skinned our hearts and skinned our knees*

We the 1983 graduating class of Miles High School dedicate our annual in loving memory of Janice Marie Shiller. Janice was one all loved, and a friend to all. She touched the hearts of everyone with whom she came in contact with. Janice was one who always had time for others. The students and faculty of Miles High School will long remember and love Janice Marie Shiller.

August 16, 1965

April 9, 1982

When I am gone will there be
A trace of one which was me?
Let me live my life so that at its end
it will not be as if I had never been.
Let each life I touch or that touches me
Make a better place in which to be.
So that when I die, there will be
a trace of one which was me.

Helen Wallus

The Best Is Yet To Be

As wonderful as school days are
So full of fun and laughter
The best and richest times you'll know
Will come a few years after.

So close the door behind you now
And as you turn away
Review the dreams and plans you've made
And hold them fast today . . .
Walk proudly as you move along,
Feel young and strong and free,
And let your heart repeat these words,
"The best is yet to be!"

Freshmen learn the ropes

The JV season record for 1982 was 15-4.

What a glory to compete in the State Finals for the second consecutive year!! It was a frustrating season of discouragement and joy, but it resulted in some of the most exciting events in Bulldog Volleyball history!

My wish to the graduating seniors is that you retain a love and interest in this lifetime sport. You have competed so strongly over the past 4 years, compiling a 4-year record of 90-37; 4 year Regional Qualifiers Finalists, 2 years State Finalists. You have built a program and established a legacy of winning that younger players will be challenged to achieve. You will be deeply missed, but remembered with great pride and as excellent examples for years to come. Achieving State Runners-Up in both Class A & AA, sporting a record of 62-12, and placing two on the All-State Team is an unbelievable record for a two-year time. My deepest thanks to Captain Dee Ann Copping for a flawless leadership job.

Freeze Frame!!!

7th graders discover a whole new game!

Never Say Die!

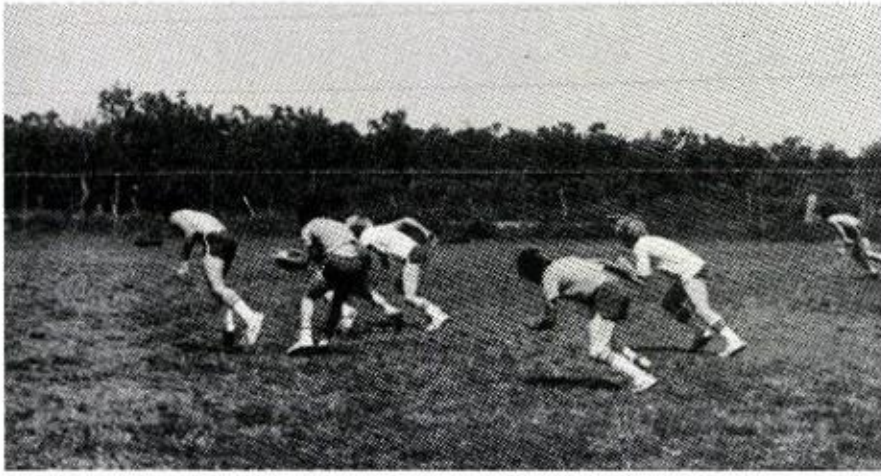

The overall dedication and perseverance of the twenty-eight boys who began two-a-day football workouts back in August helped them to a 3-7 record this year, and typified the pride that each one took in being a part of the Bulldog football program.

After opening the season with two thrilling upset wins over Robert Lee and Bronte the Bulldogs fell to a very tough squad from Sterling City. However, the boys rebounded to overpower Loraine but they were not as fortunate against Roby in the Homecoming game and they went into district play with a 3-2 record.

The Bulldogs' victory path was not to be found again though as they lost successively to Wall, Stanton, McCamey, Reagan County, and Eldorado. The tough losses in district were not without some bright spots though, as many young sophomores and freshmen were thrust into starting roles and they performed admirably. The injuries that were sustained have healed by now and each one of the Bulldogs on the 1982 team can look back with a sense of pride and accomplishment. One person, Greg Schwertner, was honored on the all-district team as a unanimous pick at offensive guard.

Through their own continued efforts and the valuable experience learned from last year the Bulldogs should be successful again in the 1983 campaign.

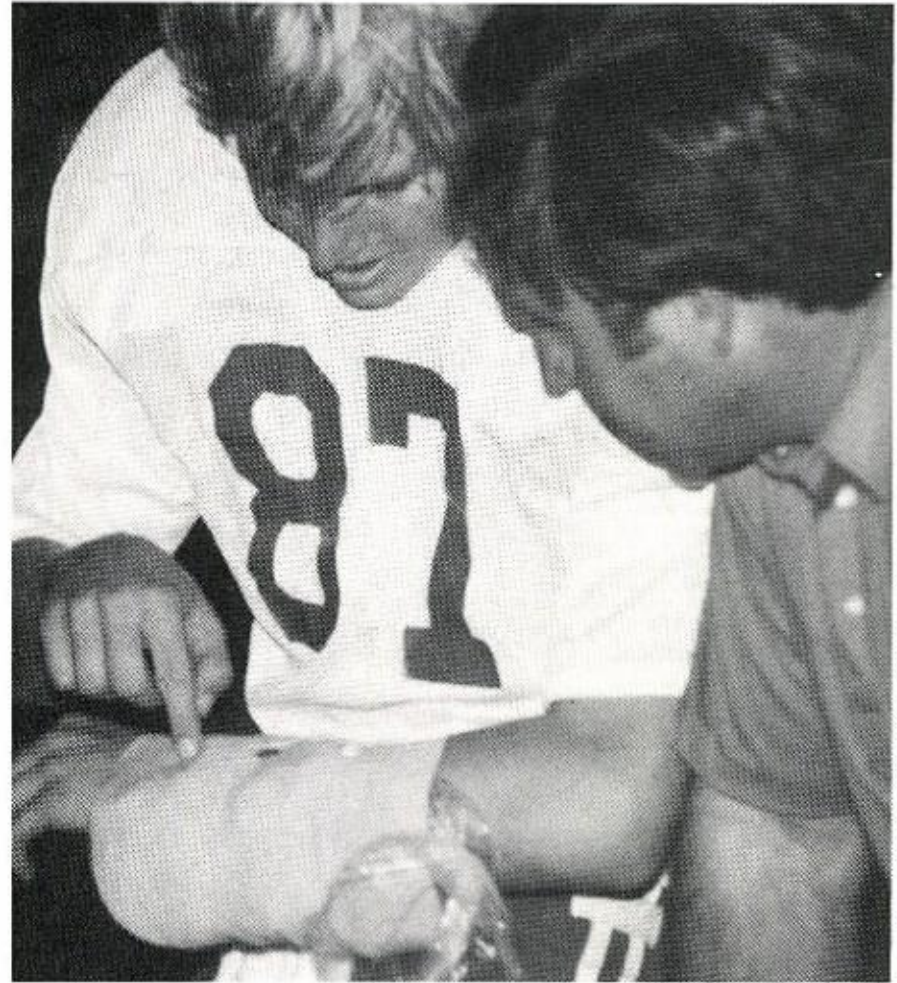

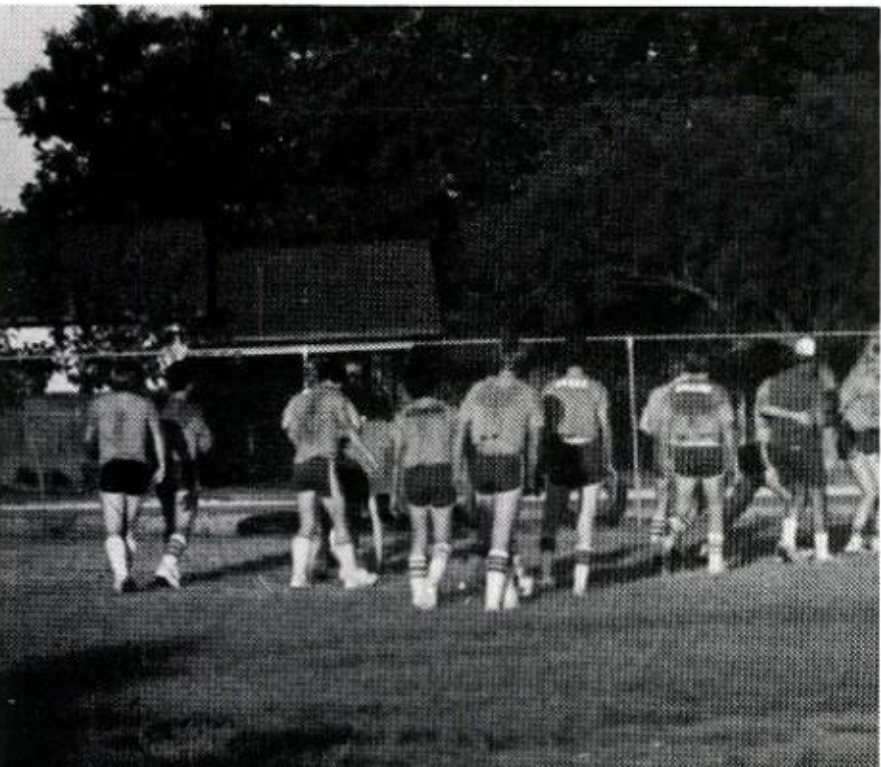

Coach Nat Sawyer

Last Spring, the boys began looking forward to the 1982-1983 season.

Mr. Mitchell West, Elementary Principal

We are hopeful for the future of each member of the Senior class and I wish to encourage each of you to continue your education and not to be distracted by some other outside circumstance.

Captures Memories

Throughout the year, we spent many hours trying to preserve memories of special events. Although it was not possible to capture all of the special moments, we were able to capture a few.

We now present them to you in the 1983 Bulldog. We hope that you will cherish this yearbook in the years to come.

We would like to say a special thank-you to Mrs. Wiley for her help throughout this year! And we wish the staff of 1984 the Best of Luck!!!

It took some time to get used to the new bells. But there are some who never will.

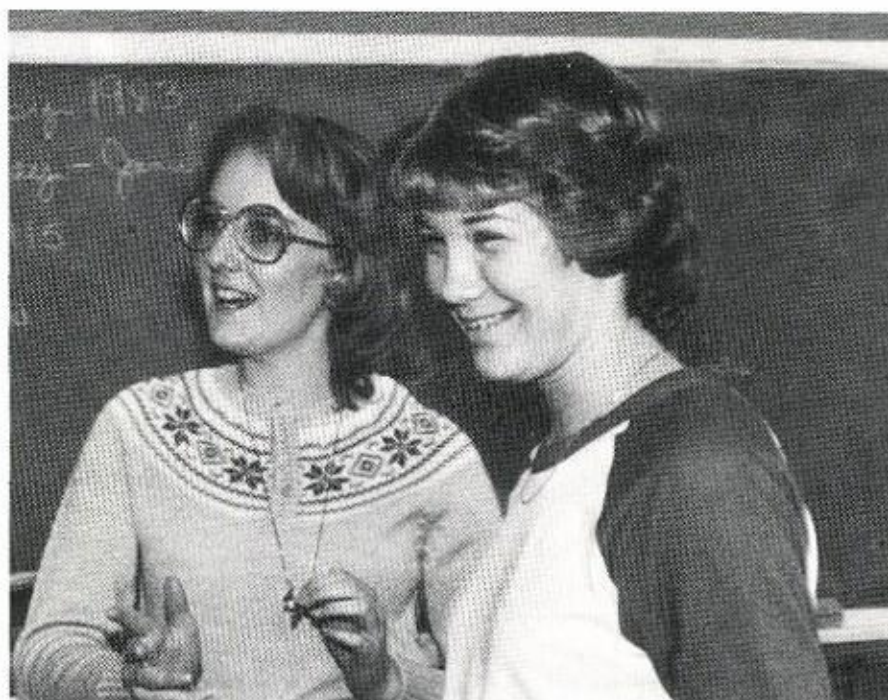

Is it going to be another one of those days?

Oh what joy!!!!!!!

You're supposed to be working on the annual.

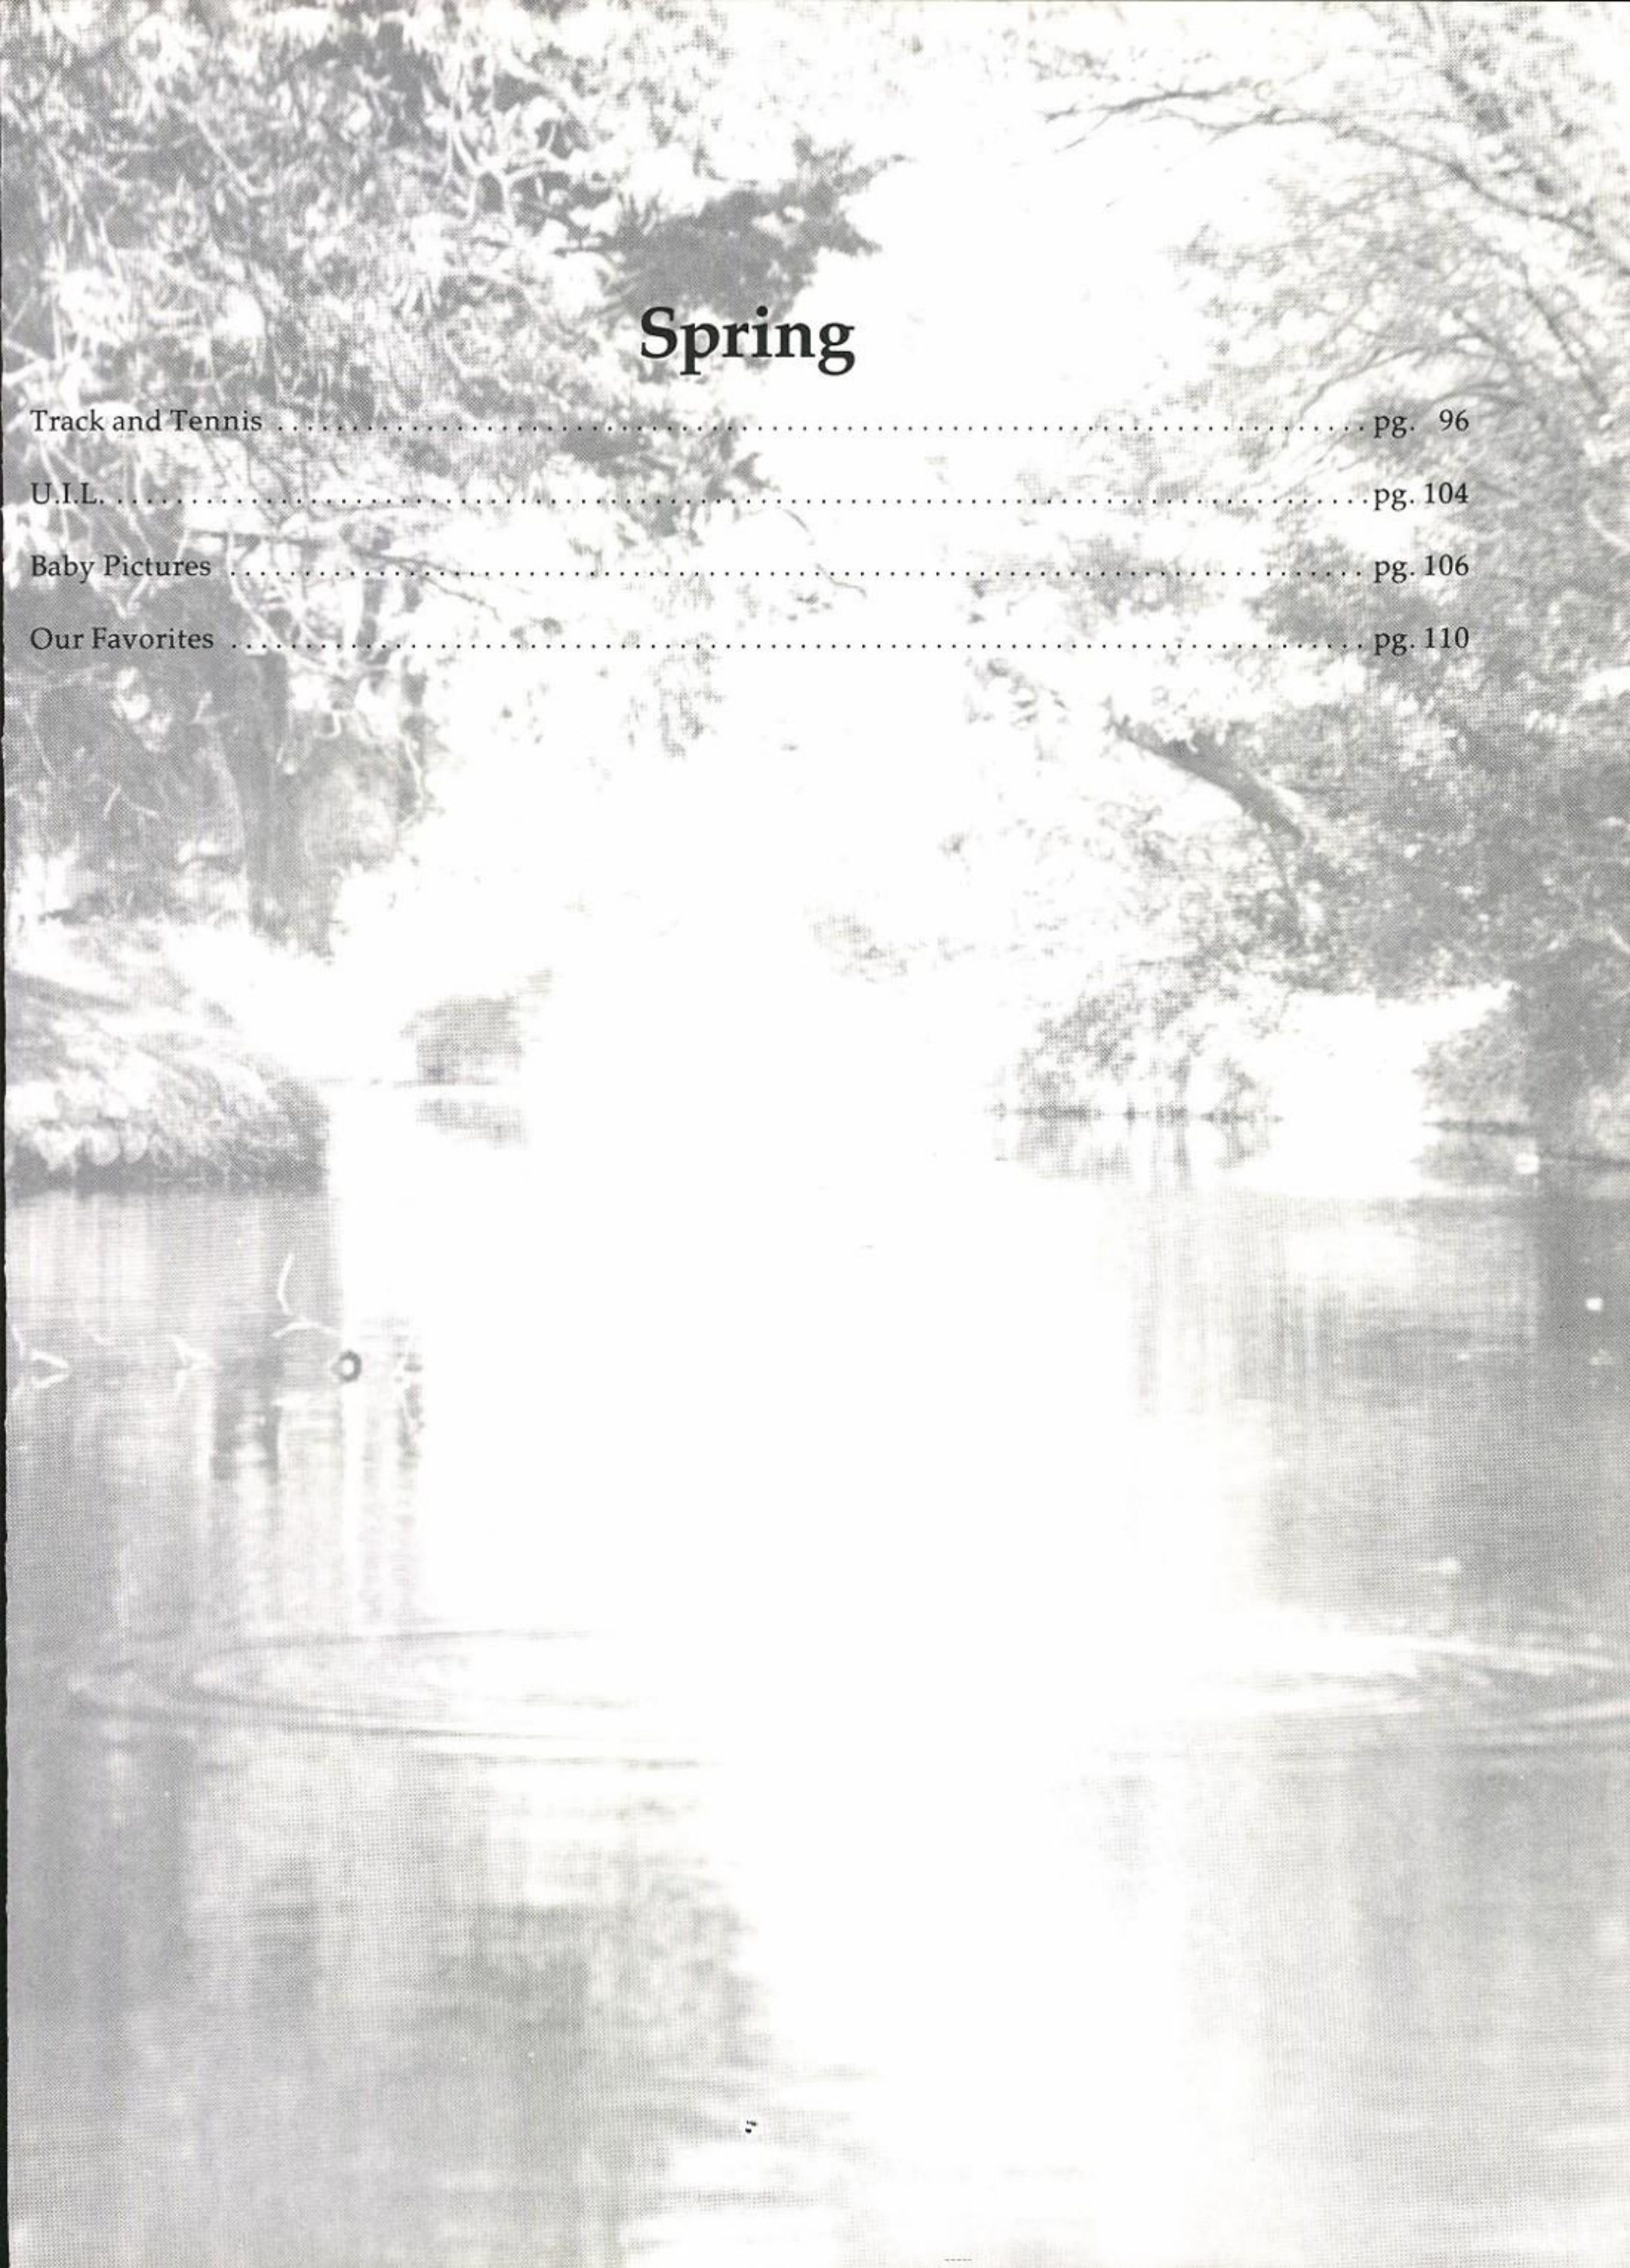

Oh, stop teasing us!

To be considered for membership in the National Honor Society, a student must have a 90 average in all high school courses. The eligible students are rated by the high school faculty on character (honesty, reliability, industry, cooperation, morality, and emotional stability), service (both school and community), and leadership (initiative, good influence, and concern for others). Each teacher rates only those students he feels qualified to rate. About 15-20 percent of the Senior Class, 10-15 percent of the Junior Class, and 5-10 percent of the Sophomore Class are admitted to membership. Sophomores and Juniors who are not admitted to membership this year may be considered for membership next year.
